Academic Appointments

09/2020 – Present ◇ **Korea University Business School, Seoul, South Korea.**
- Associate Dean for Research (09/2026 – Present).
- Department Chair of MS/PhD Programs (09/2026 – Present).
- KUBS Research Fellow (09/2025 – Present).
- Area Chair of Logistics, Service and Operations Management (LSOM) (09/2024 – 08/2026).
- Area Chair of Business Analytics (03/2023 – 02/2024).
- Associate Professor of LSOM (09/2022 – Present).
- Assistant Professor of LSOM (09/2020 – 08/2022).

03/2024 – 08/2024 ◇ **Rady School of Management, University of California, San Diego, CA, USA.**
- Visiting Associate Professor.

06/2017 – 08/2020 ◇ **College of Business, Oregon State University, Corvallis, OR, USA.**
- Assistant Professor of Supply Chain and Logistics Management.

Education

2012 – 2017 ◇ **Kenan-Flagler Business School, University of North Carolina, Chapel Hill, NC, USA.**
Ph.D. in Operations.
Thesis title: *Essays in Retail Operations Management.*
Committee: Saravanan Kesavan (Chair), Vinayak Deshpande, Bradley R. Staats, Seyed Emadi, Camilia M. Kuhnen (Finance)

2010 – 2012 ◇ **Korea University Business School, Seoul, South Korea.**
M.S. in LSOM.

2004 – 2010 ◇ **Korea University Business School, Seoul, South Korea.**
Bachelor of Business Administration (Concentration: LSOM).

Research

Empirical Operations and Supply Chain Management | Healthcare and Pharmaceutical Supply Chains | Retail and Service Operations | Causal Inference

Research Interests

- Empirical operations and supply chain management
- Healthcare and pharmaceutical supply chains, with a focus on disruption recovery, resilience, capacity design, and equitable access
- Retail, service, and platform operations, including labor, product variety, fulfillment, and technology-enabled service
- Causal inference using field and quasi-experimental methods

Peer-Reviewed Journal Publications

1. **Lee, H.**, Lee, J., Noh, I., and Staats, B. (2026) Learning in Recovery from Disruption: Empirical Evidence from the U.S. Drug Shortages. *Management Science* (UTD & FT), Published Online Articles in Advance.

2. Lee, J.*, **Lee, H.***, Shin, H., and Krishnan, V. (2021) Alleviating Drug Shortages: The Role of Mandated Reporting-Induced Operational Transparency. *Management Science* (UTD & FT), 67(4): 2326-2339.
    - *The first two authors equally contributed to this paper.

Research Presentations

- Try Before You Buy: How Fitting Room Usage Influences Apparel Sales and Spillover Effects. (INFORMS-Singapore 2025)
- Heterogeneous Patient Response to Uniform Increase in Emergency Department Attendance Fees: A Territory-Wide Study. (POMS-HK 2023; POMS 2023; MSOM 2023; POMS-Paris 2023; WDSI 2024; POMS 2024; INFORMS 2024; WDSI 2025; MSOM 2025; INFORMS 2025)
- Learning in Drug Shortage Recoveries. (INFORMS 2021; DSI 2021; POMS 2022; MSOM 2022)
- Impeding Behavior in Shopping and Product Trial. (IFORS 2021)
- Alleviating Drug Shortages: The Role of Mandated Reporting-Induced Operational Transparency. (INFORMS 2020)
- An Investigation of Multi-staged, Dual-pronged Order Fulfillment in E-commerce Marketplace. (POMS 2018, 2019, 2021; INFORMS 2018, 2019)
- Can "I" Make "We" Better? An Investigation of Spillover Effects on Grocery Store Check-out Productivity. (INFORMS 2019)

- Managerial Incentives, Operational Decisions, and Firm Outcomes: Evidence from a Quasi-Experiment at a Retail Chain. (POMS 2016, 2018, 2019, 2021; INFORMS 2016, 2017; AOM 2018; DSI 2018)
- Understanding and Managing Customer-Induced Negative Externalities in Congested Self-Service Retail Environments. (POMS 2015, 2016, 2017; INFORMS 2015, 2016; DSI 2016, 2017)
- Determinants of Excess Inventory Announcement and Stock Market Reaction in the Retail Sector. (POMS 2014)

Invited Talks

- 2026: Florida State University (scheduled 11/2026); University of Hong Kong (scheduled 12/2026); Hong Kong Polytechnic University (scheduled 12/2026)
- 2025: Nankai University (3/2025); Tianjin University (6/2025); KAIST College of Business (12/2025)
- 2023: Tianjin University (10/2023)
- 2022: Seoul National University Business School (11/2022); Korean Academic Society of Business Administration Convergence Conference (8/2022); Korea Summer Workshop on Causal Inference 2022 (7/2022); Korean Production and Operations Management Society (4/2022).
- 2021: Korea University Business School, IBRE (11/2021); KAIST College of Business (9/2021); Yonsei University Business School (4/2021).
- 2019: Korea University Business School (12/2019); Oregon State University, College of Business (12/2019).
- 2017: Chapman University, Economic Science Institute (11/2017).
- 2016: Oregon State University, College of Business (10/2016).

Awards & Scholarships

09/2025-present ◇ KUBS Research Fellow, Korea University Business School.

06/2026 ◇ Best Paper Award, Korea Corporation Management Association.

◇ KUBS Teaching Award (Global MBA Operations Management), Korea University.

05/2026 ◇ M&SOM 2025 Meritorious Service Award, INFORMS.

◇ Excellence in Teaching Award (Business Statistics; 2 sessions), Korea University.

03/2026 ◇ SK Distinguished Research Award, Korea University Business School.

11/2025 ◇ Seok-Top Award for Teaching Excellence (top 5% at the university level) (Operations Management), Korea University.

◇ Excellence in Teaching Award (Business Statistics), Korea University.

06/2024 ◇ Seok-Top Award for Teaching Excellence (top 5% at the university level) (Operations Management), Korea University.

◇ KUBS Teaching Award (Global MBA Operations Management), Korea University.

11/2023 ◇ Excellence in Teaching Award (Operations Management), Korea University.

08/2023 ◇ Best Paper Award, Korean Academic Society of Business Administration Convergence Conference.

05/2023 ◇ Young Scholar Prize, Korean Production and Operations Management Society.

11/2022 ◇ Seok-Top Award for Teaching Excellence (top 5% at the university level) (3 courses: Business Statistics, Operations Management, Service Operations Management), Korea University.

08/2022 ◇ MK Emerging Scholar Paper Award, Maeil Business Newspress.

Awards & Scholarships (continued)

06/2022	◇ UTD Distinguished Research Award, Korea University Business School.
05/2022	◇ Seok-Top Award for Research Excellence (top 3% researcher at the university level), Korea University.
04/2022	◇ Excellence in Teaching Award (Business Statistics), Korea University.
03/2022	◇ UTD Distinguished Research Award, Korea University Business School.
11/2021	◇ Excellence in Teaching Award (Service Operations Management), Korea University.
09/2021	◇ SK Distinguished Research Award, Korea University Business School.
03/2021	◇ SK Distinguished Research Award, Korea University Business School.
06/2020	◇ Prominent Scholar Award, College of Business, Oregon State University.
06/2019	◇ Betty and Forrest Simmons Excellence in Graduate Teaching Award, College of Business, Oregon State University.
11/2018	◇ Best Interdisciplinary Paper Award, DSI 2018 Annual Conference, Chicago.
08/2016	◇ Rising OM Scholar Award, Kenan-Flagler Business School.
04/2016	◇ M. Wayne DeLozier Award, Kenan-Flagler Business School.
2012-2016	◇ Kenan-Flagler Business School PhD Financial Award.
2004-2011	◇ Full Scholarship from Korea University Business School; Alumni Association of Korea University; Cheonman Scholarship Association; Korea Sanhak Foundation.

Teaching

Teaching Interests

- Supply Chain Management; Operations Management; Service Operations Management (e.g., Retail, Healthcare); Business Analytics and Empirical Methods

Teaching Experience

Korea University Business School

- Empirical Research in OM (*BUS 961*. MS and PhD; English)
  - Fall 2021; Fall 2023; Spring 2025
- Special Topics in OM (*BUS 819*. MS and PhD; English)
  - Fall 2022
- Service Operations Management (*BUS 660*. MS and PhD; English)
  - Spring 2026
- Operations Analytics I, II (*BUS 947, 948*. MSBA; Korean)
  - Fall 2023
- Empirical Approach for BA I, II (*BUS 976, 977*. MSBA; Korean)
  - Spring 2025; Spring 2026
- Operations Management (Korea MBA; Korean)
  - Spring 2026
- Operations Management (Global MBA; English)
  - M2 2023; M2 2025; M2 2026
- Service Operations Management (*BUSS 376*. Undergrad; English)
  - Spring 2021; Spring 2022

- Intro to Operations Management (*BUSS 211*. Undergrad; English)
  - Spring 2021; Spring 2022; Spring 2023; Fall 2023; Fall 2024; Spring 2025; Fall 2025; Spring 2026; Fall 2026 (2 sessions)
- Business Statistics (*BUSS 154*. Undergrad; English)
  - Fall 2020; Spring 2021; Fall 2021; Spring 2022; Spring 2025; Fall 2025

College of Business, Oregon State University

- Service Operations Management (*BA 459/559*. Undergrad and MBA)
  - Winter 2018; Winter 2019; Winter 2020
- Intro to Operations Management (*BA 357*. Undergrad)
  - Spring 2018; Spring 2019; Spring 2020

Kenan-Flagler Business School, UNC Chapel Hill

- Business Analytics (*BUSI 410*. Undergrad)
  - Summer 2016

Professional Activities

Editorial Review Board (2023 – present)

- *Journal of Operations Management*.
- *Decision Sciences*.

Reviewing for Journals (2014 – present)

- *Management Science*; *Manufacturing & Service Operations Management*; *Production and Operations Management*; *Journal of Operations Management*; *Service Science*; *Decision Sciences*.

Refereeing for Conference

- *M&SOM Service SIG* (2020; 2021; 2022; 2023; 2026).
- INFORMS BOM Best Working Paper Competition (2023).

Membership

- INFORMS; MSOM; POMS; DSI; AOM.

Consortium

- Junior Faculty & Doctoral Consortium (AOM 2018)
- Service Science Doctoral Colloquium (INFORMS 2015)
- Doctoral Consortium (POMS 2014, 2015)

Track Chair

- ICEC 2025 (AI-Driven Manufacturing Eco-network and Global Supply Chain Management)
- DSI 2023 (Information Technology/Information Systems)

Session Chair

- INFORMS (2019 2 sessions; 2021 2 sessions)
- POMS (2015, 2019; 2021; 2023)
- DSI (2017)
- POMS-HK (2023)

Service

- MSOM Webmaster, 08/2016 – 08/2023
- Korea Production and Operations Management Society (KOPOMS)
  - Director, 01/2022 – Present
  - Graduate Students Committee Chair, 01/2023 – 12/2023
  - Editorial Board Member, 01/2023 – Present
- Korea Logistics Society
  - Director, 01/2024 – Present
- Korea Productivity Association
  - Director, 01/2023 – Present
  - Academic Committee Chair, 01/2023 – 12/2023
- Academic Society of Global Business Administration
  - Workshop Organizing Chair, 09/2021 – 12/2021
- Korea University Business School
  - Advisor, Korea University Logistics, Service and Operations Management (KULSOM, Operations Club in KUBS), 09/2020 – Present
  - Advisor, KUBScholar (KUBS Student Association to Prepare for Studying Abroad), 07/2022 – 08/2023
- College of Business, Oregon State University
  - PROT Committee, 09/2019 – 06/2020
  - Research Committee, 09/2018 – 06/2019

Advising Students

- Saeyoung Yoon (MS/PhD in LSOM)
- Sangyong Park (MS/PhD in LSOM)
- Dzung Do Thuy (PhD in LSOM)
- Jongcheol Won (MS in LSOM)
- Claire Shin (Undergraduate Researcher)
- Gyumin Kim (MS in LSOM; graduate in 2025; PhD student in University of South Carolina, Darla Moore School of Business)
- Cheng Wang (MS in LSOM; graduate in 2022; TCL China Star Optoelectronic Technology)
- A team of Chaewoon Kim, Jeongmin Park, and Seohyeon Son (MS in Business Analytics; graduate in 2026; Best Capstone Project Award; Hyundai Homeshopping and SuperCent)
- A team of Yebin Goh and Doyoon Kim (MS in Business Analytics; graduate in 2024; Best Capstone Project Award; Samsung Electronics and Celltrion)
- Hojun Yu (MS in Business Analytics; graduate in 2024; Best Capstone Project Award; YG Entertainment)
- A team of Yujung Ahn and Jonghyun Choi (MS in Business Analytics; graduate in 2023; Best Capstone Project Award; LG CNS)
- A team of Sangwon Lee, Jina Lee, and Hyewon Lee (MS in Business Analytics; graduate in 2022; Best Capstone Project Award; Eland and Microsoft)
- Mikeum Kim (PhD in LSOM; committee member; graduate in 2023; Assistant professor in Seokyeong University)
- Keontaek Oh (PhD in LSOM; committee member, co-author; graduate in 2021; Assistant professor in Keimyung University)

Industry Positions

07/2009 – 08/2009 ◇ Intern, Pt. Pratama (*Nike*'s OEM shoe manufacturer), Jakarta, Indonesia.
01/2006 – 01/2008 ◇ Sergeant, Military Service, Republic of Korea Army (ROKA), Paju, South Korea.

Extracurricular Activity

2008-2012 ◇ KULSOM (Operations Club in Korea University Business School).

Other Information

Languages ◇ Korean (Mother tongue), English (Fluent).
Family ◇ Father of three kids.
